

KVKK & GDPR General Data Security Rules

Merzifon Elektro Motor

Dear Visitors, Stakeholders, Employees, and Business Partners,

Merzifon Electro Motor Metal is committed to upholding the highest standards of information and personal data security. In alignment with the Turkish Personal Data Protection Law No. 6698 (KVKK) and the European Union General Data Protection Regulation (GDPR), the following general rules must be observed within our facilities:

- Video, audio, image, or photo recordings that infringe upon the personal data or privacy of others are strictly prohibited within our premises.
- All individuals within our facilities are required to comply with the Personal Data Protection Law No. 6698 (KVKK).
- All individuals must also act in accordance with the EU GDPR regulations concerning data protection and privacy.
- Any interference with the private lives of individuals is strictly forbidden.
- Our employees, customers, suppliers, stakeholders, and guests are expected to adhere to our information security and data privacy policies.
- Contractors and suppliers are obligated to comply with all applicable national and international data protection regulations.
- Personal data collected within our organization must only be processed for its intended and lawful purposes, and with the explicit consent of the data subjects.
- All parties are encouraged to read the clarification and privacy notices published on our website and must comply with our corporate data protection policies.
- In line with the data minimization principle of KVKK and GDPR, only the necessary personal data should be collected and processed.

Everyone has the right to respect for their private and family life and correspondence. At Merzifon Electro Motor, safeguarding information is not just a legal obligation, it is a cornerstone of our corporate culture.
